Eleonor Amora Marklund

Best-selling Author,
Founder of House of Sovereignty

Eleonor Amora Marklund is an internationally acclaimed expert in energy healing, best-selling author, and founder of House of Sovereignty. Eleonor has been clairvoyant since birth and went through hell and back in the process to understand and master her profound gifts.

With firsthand experience and understanding that lighting a candle and praying for love and light just doesn't cut it for anyone looking to get real about their physic and spiritual mastery, Eleonor embarked on a pathway to help other attuned individuals to master their gifts, control their energy fields, and become experts at psychic self-defence.

When you *control*
your energy field,
you can control your *life*.

Now highly esteemed as the forefront coach for spiritual warriors known as Indigos, Eleonor is globally renowned for her groundbreaking work in esotericism. Her mission is to connect a global community of spiritual rebels and show them that the true path to power comes when you operate from a state of complete sovereignty and personal mastery over their energy field. She supports her proteges to break free from limiting belief systems, and empowers them to heal and rise above the challenges - no more giving away power, no more feeding psychic predators, and no more believing that they're small and helpless.

As a psychic multidimensional medium, and acclaimed energy healer, Eleonor's gifts enable her to provide deep insight into your auric field, psychic abilities, and reincarnation journey. She takes the magnitude of your soul mission seriously, using her exclusive techniques to give them customized practices and accelerate their empowerment.

Eleonor Amora is an internationally acclaimed expert in energy healing and the forefront coach for spiritual warriors known as Indigos. As an oracle, shadow worker, and kick-ass psychic, Eleonor sees exactly what's standing between you and your authentic, profound liberation - and she can help you overcome it.

Services

MEDIA HOUSE OF SOVEREIGNTY

Even with a great idea and writing ability, the path to becoming a published author can feel long, scary and lonely. There is no reason for you to travel that path alone. The Publishing House of Sovereignty can provide you with the support, guidance, and resources you need to make your dream of a best-seller a reality!

TEMPLE OF SOVEREIGNTY

As an expert on revolutionary consciousness, Eleonor provides private coaching for a select handful of clients. Those who know beyond a shadow of a doubt that they're here to change the world. And those who can't stand to spend another moment idly lighting candles and hoping that if they just focus on love and light, eventually change will come.

TRIBE OF SOVEREIGNTY

As a legally sovereign citizen, I know first-hand the work involved to attain true freedom - both the legal AND the energy work. Open by invitation only, the Tribe of Sovereignty offers bespoke, customised mentorship from legal referrals to the inner energy work required to truly become sovereign in life.
